Log of Instructional Activities

Name: Robin Craig, DO

Type of Activity/Setting	Date	Duration* (in minutes)	Audience (Description and Size)	Describe evaluation strategies used (informal and formal) to collect evidence of educational impact.
PICU Bedside Rounds	Numerous dates	2-3 hours/ service day	Pediatric residents, medical students	informal feedback
Resident education shock	2/12/2025	60	Residents and medical students 4	informal feedback
Resident education TBI	2/19/2025	60	Residents and medical students 4	informal feedback
Resident education respiratory failure	3/4/2025	60	Residents and medical students 4	informal feedback
Resident edication shock	3/12/2025	60	Residents and medical students 4	informal feedback
PICU mock code	3/14/2025	60	residents, medical students, RNs, RTs	informal feedback
Resident education TBI	3/19/2025	60	Residents and medical students 4	informal feedback
Resident education respiratory failure	4/9/2025	60	Residents and medical students 4	informal feedback
Pediatric Fundamentals of critical care	04/16-17/2025	960	Attending physicians, APPs, nursing, RTs- 20	international conference- formal feedback through a survey from SCCM and Geisinger

* Record duration in minutes

Resident education TBI	4/23/2025	60	Residents and medical students 4	informal feedback
Resident education respiratory failure	5/7/2025	60	Residents and medical students 4	informal feedback
Resident education cardiac arrest	5/14/2025	60	Residents and medical students 4	informal feedback
Resident education TBI	5/21/2025	60	Residents and medical students 4	informal feedback
Resident education shock	5/28/2025	60	Residents and medical students 4	informal feedback
Resident education respiratory failure	6/4/2025	60	Residents and medical students 4	informal feedback
Resident education cardiac arrest	6/11/2025	60	Residents and medical students 4	informal feedback
resident education TBI	6/18/2025	60	Residents and medical students 4	informal feedback
Resident education respiratory failure	7/2/2025	60	Residents and medical students 4	informal feedback
Resident education cardiac arrest	7/9/2025	60	Residents and medical students 4	informal feedback
Pediatric noon conference- altered mental status	7/14/2025	60	residents- 20	feedback via the residency program survey
Resident education TBI	7/15/2025	60	Residents and medical students 4	informal feedback
resident education shock	7/23/2025	60	Residents and medical students 4	informal feedback
Resident education respiratory failure	7/30/2025	60	Residents and medical students 4	informal feedback
Resident education cardiac arrest	8/6/2025	60	Residents and medical students 4	informal feedback

* Record duration in minutes

Pediatric Clerkship didactic	8/12/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident education TBI	8/13/2025	60	Residents and medical students 4	informal feedback
Pediatric Clerkship didactic	8/19/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident education shock	8/20/2025	60	Residents and medical students 4	informal feedback
Pediatric Clerkship didactic	8/26/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident education respiratory failure	8/27/2025	60	Residents and medical students 4	informal feedback
PICU mock code	8/29/2025	60	residents, medical students, RNs, RTs	informal feedback
Resident education cardiac arrest	9/3/2025	60	Residents and medical students 4	informal feedback
Pediatric Clerkship didactic	9/9/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident Education TBI	9/10/2025	60	Residents and medical students 4	informal feedback
Pediatric Clerkship didactic	9/16/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident Education Shock	9/17/2025	60	Residents and medical students 4	PICU didactic on shock- informal feedback

* Record duration in minutes

Pediatric Clerkship didactic	9/23/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident education respiratory failure	9/24/2025	60	Residents and medical students 4	PICU didactic on resp failure- informal feedback
Respiratory Conference - Judge them by their size, do you? How to safely navigate respiratory failure in the pediatric patient	9/26/2025	60	Respiratory therapy- 60	Survey sent to all participants
Resident education cardiac arrest	10/1/2025	60	Residents and medical students 4	PICU didactic on cardiac arrest- informal feedback
Resident Sim	10/10/2025	60	Residents, students- 20	Survey following simulation
Pediatric Clerkship didactic	10/14/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
resident education shock	10/15/2025	60	Residents and medical students 4	PICU didactic on shock- informal feedback
Pediatric Clerkship didactic	10/21/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident education respiratory failure	10/22/2025	60	Residents and medical students 4	PICU didactic on resp failure- informal feedback
Pediatric Clerkship didactic	10/28/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Pediatric Fundamentals of critical care	10/28-29/2025	960	Attending physicians, APPs, nursing, RTs- 20	international conference- formal feedback through a survey from SCCM and Geisinger

* Record duration in minutes

Pediatric Clerkship didactic	11/11/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Pediatric Clerkship didactic	11/18/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation
Resident education respiratory failure	11/19/2025	60	Residents and medical students 4	informal feedback
Pediatric Clerkship didactic	11/25/2025	180	Medical Students- 10	Weekly formal educational didactics for medical students in their pediatric clerkship- formal feedback at end of rotation

* Record duration in minutes
